

# BE THE ONE WHO DOES WHAT GOD SAYS

## READ Exodus 7:5-7

Day 1

Imagine that you are Moses at the end of your life, looking back on all the things that you've accomplished. You grew up as a king, you freed an entire nation from slavery, you parted the Red Sea, and you received the 10 Commandments from God Himself!

But wait—did you really accomplish those things, or did you do what God asked you to do and then watch Him do amazing things through you?

Now think back on YOUR life so far. What are some amazing things that God has done because you or someone you know followed Him? If you can't think of anything, go ask a parent. Draw a picture of some of these things (even things you hope God will do) and hang it in your room so you can be reminded of how AWE-some God really is.

**THANK** God for doing great big things through the people who follow Him.

BECAUSE HE'S

## READ Psalm 99:6-7

Day 2

Go stand by your fireplace or the stove—imagine if God spoke to you out of the flames or burner. Now go outside and look up at the sky; find a cloud—what if God talked to you from there? I wonder if that's how Moses felt when God spoke to him from the burning bush and the pillar of clouds!

So how many times has God appeared to YOU in a burning bush or cloud? \_\_\_\_ Does that mean He isn't speaking to us today? No! God is just as AWE-some now as He was then, He just speaks in different ways, usually.

Think about all the different ways and places you've felt God speaking to you. Beside each place, write about a time when you knew God was telling you to do something.

In church:  
In your bed:  
Outside:  
At school:

**ASK** God to help you listen for His voice and to do what He says.

AWE-SOME.

## READ Psalm 119:40-44

### Day 3

God is faithful, He loves us, and His Word can be trusted. That makes Him truly AWE-some and makes choosing to follow His rules a no-brainer. Spell out all of the ways that God is awesome by filling out the acronym below (each word or phrase about God should start with one of the letters in "AWESOME"). If you get stuck, ask other people in your family for some ideas.

A  
W  
E  
S  
O  
M  
E

Above, circle your favorite characteristic of God. Thank Him for being that way right now.

**LOOK** for signs of God's AWE-someness throughout your day.

## READ Deuteronomy 4:39-40a

### Day 4

Who is the smartest person you know? Quiz them on these three questions about the world (without looking the answers up on the Internet!):

- 1.) How big is the universe—or at least the part we can see? (Answer: 93 billion light years in diameter)
- 2.) What is the speed of light? (Answer: 186,000 miles per second, OR 671 million miles per hour)
- 3) How long does it take for the light from the sun to reach the earth? (Answer: eight minutes)

How did they do? The crazy thing is that God doesn't just know a lot about the earth; He MADE the earth. There is no one greater, no one wiser, no one more worth following and obeying than God!

**KNOW** that God is AWE-some and the only One worth following.
