

WEEK FIVE

Read Galatians 5:13b

DAY 1

Love and serve aren't often two words you put together. Unless you're the one getting served, of course. But you might be surprised by how much fun it is to serve others—and how great it feels to see how others feel when you show them love by serving.

There are all sorts of ways to serve others. Unscramble the sentences below to find out some great ones!

A STRANGER AT SMILE

UP GARBAGE PICK

THANK God for showing us first how to love and serve others.

Answers: smile at a stranger, hold the door for someone, pick up an older person's paper, donate gently used toys, bake cookies for a new neighbor, let someone else go first, volunteer at a non-profit, pick up garbage

Read Mark 9:35

DAY 2

Most of us don't want to go last. But Jesus said that if we want to be like Him, we will put others first. So, today, commit to being last. Whenever there's a line, go to the back of it. When everyone else is scrambling to get to the biggest piece of cake, take the smallest piece. If you and your sister both want to watch TV, let her pick the show. Then come back and write what you did and how it made you feel to serve others by putting them first.

ASK God to give you humility to put others first.

SERVE EACH OTHER.

WEEK FIVE

Read 1 Peter 4:10

DAY 3

There are many ways to serve others, and oftentimes the best way you can serve someone is by using the gifts that God has given you. Find some examples of those gifts in the puzzle below.

LOOK for ways to put others first all summer long.

Read Acts 20:35

DAY 4

Luke was an example to others of how to serve, and we can be an example to others as well. We all have friends in our lives who have served us. Think of one friend who has modeled true friendship by serving others. Make a card to thank them for serving you and for serving others. Be sure to tell them how they've inspired you to serve others too. (You can even write out Acts 20:35 in the card.)

KNOW that serving others is a great way to be a friend.

SERVE EACH OTHER.
