

UNIQUENESS

WEEK 1
K-5TH GRADE

discovering who God made you to be
so you can make a difference.

READ MATTHEW 10:29-31

DAY 1

This month is all about uniqueness—discovering who God made you to be so you can make a difference. God knows everything there is to know about you because He's the one that made you! The same God who hung the up the sun and painted the sky with clouds made you. The same God who created those birds you hear chirping in the trees made you too. And you are WAY more valuable then those birds. God made you and He never makes mistakes.

Did you catch the part of this verse about your hair? Have you ever tried to count the hairs on your head? Grab a friend or family member and set a timer for 2 minutes. Try to count the hairs on their head. Can you do it?

Counting all the hairs on someone's head is impossible for you, but not for God. He knows everything about you because He made you to be you. And you are awesome.

THANK God for making you so unique.

READ 1 SAMUEL 17:38-40

DAY 2

David showed up to the battlefield and heard the taunting call of Goliath, but this did not stop him. King Saul thought he needed to look like the other soldiers in his army. So he gave David his own armor, which for a teenage boy was WAY too big. What King Saul didn't know was that God had already provided David with everything he needed. He gave David the unique ability to take on the giant with what he knew—a slingshot and some stones.

Grab a piece of paper and draw a line down the center of the page. On the left hand side, draw a picture of David wearing King Saul's way too big armor. On the right hand side, draw David with a slingshot and five smooth stones. Put this picture up in a place where everyone in your family can see it. If someone asks you about it, be prepared to tell them about the story.

ASK God to show you how you are uniquely different from everyone around you.

God made you to
BE YOU.

READ ISAIAH 43:1

DAY 3

The Lord made you. He formed you while you were still in your mom's tummy. He gave you those blue eyes, or that slightly crooked nose or that tiny mole on your little toe. God made you to be you. And He knows you by name.

Have you ever asked where your name came from? Naming someone is a BIG deal! Ask your parents how they decided on your name. Were you named after someone important to them? Do you know the meaning of your name? If not, ask an adult to help you look up what your name means and write out the meaning in the space below.

LEARN about your name and all the unique things that make you, you.

READ JEREMIAH 1:4-5

DAY 4

Jeremiah was young, probably around 17, when God called him to be "a prophet to the nations." A prophet is someone who spoke for God. But God wasn't concerned about Jeremiah's age because God had created him for this specific purpose. In fact, He chose Jeremiah for this role before He even created him.

And guess what? You're no different from Jeremiah. Sure, you live in a very different time and place but you were also chosen by God. He has a plan for your life and that plan isn't the same plan that He has for someone else. Because you are the one and only you. As you grow, you'll begin to discover all the unique things about you that God wants to use to do BIG things in this world.

In the space below, write a prayer to God, thanking Him for making you to be you. Ask Him to show you what His plan is for your life.

KNOW that God created you and has a specific plan for your life.

Dear God,
