

WISDOM

FINDING OUT WHAT YOU SHOULD DO AND DOING IT

BOTTOM LINE: If you want to be wise, search for wisdom.

Read James 1:5

DAY

1

Hunting for Wisdom

Pick your ten favorite stuffed animals or toys and then ask an adult to hide them for you. Once they're hidden, go and search until you find all ten.

Did you know that you could search for **wisdom**, too? How? By asking God! Wisdom means finding out what you should do and then doing it. When you pray, you can ask God to help you make the wise choice. That's a lot easier than searching your entire house.

THANK God for His promise to give you the wisdom you need to make the right choices.

2

You Can Pray for That!

When do you pray? Is it before meals or at bedtime? Did you know that you can pray when you aren't sure what to do? It's true. When we ask God for help, He will always listen!

Check out the sample prayer below. Fill in the blanks to pray your own prayer for wisdom.

Dear God, help me know what to do when
 _____**. I want to**
follow You and make the wise choice.
In Jesus' name, amen.

ASK God to show you how to make the wise choice when you pray.

DAY

3

Wisdom Search

Have you ever lost something special to you? Did you search for it? Let's go on a wisdom search. Grab a piece of paper. Cut it in half and then roll up each piece so that you have two small tubes. Tape the tubes together to create a pair of binoculars. Ask an adult to help you look up James 1:5a. Read the verse together while you use your special binoculars.

LOOK for wisdom as you read God's word. You don't even need special binoculars!

The Wisest of All

Think about the wisest person you know. Who is it?

Write your answer here:

Did you know that God is the wisest of all? He made everything! Nothing exists that He didn't carefully create by His own power. But God doesn't keep all that wisdom to Himself. We can know what He wants us to do when we read His word, the Bible.

KNOW that when you ask, God can help you make the wise choice.
