

WISDOM

FINDING OUT WHAT YOU SHOULD DO AND DOING IT

WEEK **3**
K-1st

BOTTOM LINE: If you want to be wise, hang out with wise people. Read Proverbs 13:20

DAY **1**

Wise Friends Make You Wiser

Make a list of people who love you and love God in the space below.

That's an awesome list! Guess what? The Bible tells us that when we hang out with wise people, we'll become wiser. Wisdom comes from God! So if you spend your time with people who love and follow God, you'll become better at following Him too.

THANK God for sending you family and friends that love you and love God.

DAY **2**

Choosing Friends

What are some things you like to do with your friends? Draw a picture of **ONE** thing in the space below.

Choosing friends who love God will not only make things more fun, it will also make you wiser in the long run. Friends who follow God will help you follow God too and that will always take you in the right direction.

ASK God to help you choose friends wisely so you can become wise too.

DAY **3**

Wise Match

Draw a line to match the opposites below:

Day	Backward
Up	Right
Left	Night
Forward	Down

When you choose friends who are wise, you'll become wise. But the opposite is also true. If you choose friends who make unwise choices, chances are you'll start making unwise choices too.

You should never leave someone out or be unkind. But when it comes to close friends that you spend the most time with, it's wise to choose friends that lead you in the right direction.

LOOK for friends who make wise choices and spend time with them this week.

DAY **4**

Good friends are . . .

What makes a good friend? Name some qualities of a good friend out loud.

A good friend is kind, plays fair, and tells the truth. A good friend is someone who helps you make wise choices. When it comes to choosing friends, we want to hang out or spend time with people that make us wiser! If you want to be wise, hang out with wise people.

KNOW that good friends are the ones who help you grow in wisdom.
