

**2023 INITIATIVE**

**ONE PEOPLE. ONE PASSION. ONE PURPOSE.**

# NOTE FROM CURT

Dear Teammates & Future Teammates,

It's not about the headlines—it's about the history books. Sustainable change requires strong foundations, and we're in it for the long haul. The RE:NEW Initiative is going to be one part infrastructure project and one part spiritual journey.

The impact of the pandemic over the past couple of years has interrupted lives and plans. It's been grueling and taxing on individuals and families, organizations and communities, including the organization of the church.

But, be encouraged. The Prophet Isaiah reminds us ...  
"Forget about what's happened; don't keep going over old history.  
Be alert, be present. I'm about to do something brand-new.  
It's bursting out! Don't you see it?"

It's time to RE:NEW.  
It's time to RE:NEW our hearts.  
It's time to RE:NEW passions.  
It's time to RE:NEW our engagement in and commitment to the mission for the spiritual freedom of our friends and neighbors.

Since day one at Crosspoint, we've been relentlessly committed to be a place where it's ok to not have it all together and to create spaces to help people find their way to God. This is needed now, more than ever!

Over the last 16 years, God has used Crosspoint to bring hundreds of people into a relationship with Jesus.

And we don't think He's finished using us.

So, four things I want to ask you to do as we embark on this 5-week **RE:NEW** Initiative:

- 1. PRAY** -- that we would be in tune with God's heart and experience a fresh move of his spirit.
- 2. PROCESS** -- commit to being present each weekend, whether in-person or online, and take in the information.
- 3. PREPARE** -- ask God to be clear with what he'd like you to do and how he's prompting you to engage in the mission, and if you're married, have some conversation with your spouse.
- 4. RESPOND** -- make a First Fruit Offering & 3-year financial pledge/commitment on the weekend of March 23+26.

We have a profound opportunity in front of us. If the past is any indication of our future, our best days are ahead of us! I hope you'll lean in and join us!

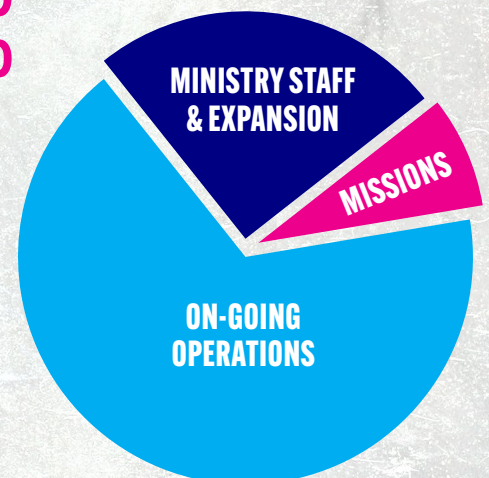

## OUR GOALS

**ONE-TIME FIRST FRUITS OFFERING: \$150,000**

**THREE-YEAR PLEDGES: \$600,000**

**TOTAL: \$750,000**

**RE:NEW INITIATIVE COMMITMENT WEEKEND // MARCH 23+26, 2023**

# 67% \$500,000 ON-GOING OPERATIONS

It takes a lot of resources to fund the on-going work of the church. The RE:NEW Initiative will allow us to continue to provide a great launch pad for ministry through the Crosspoint Campus for both the in-person and online expressions of Crosspoint. Supplementing ongoing expenses, including our mortgage, will help us maintain a positive footprint in the community and compelling space for guests, friends and neighbors to gather and connect, ultimately providing an energizing environment for life change.

# 29% \$217,000 MINISTRY STAFF & EXPANSION

Progress requires infrastructure and infrastructure provides pathways for sustainable growth and development. Through increasing key ministry staffing, this will increase our ability to connect and build people, including equipping the next generation of kids and students in their faith. This staff expansion will include 2 full-time ministry staff, including Next Gen Ministries for kids & students, plus a part-time online campus pastor to serve, connect and build up those in our online spaces.

# 4% \$33,000 MISSIONS: RENEWING LOCAL & GLOBAL MISSIONAL PARTNERSHIPS

Crosspoint has always been about Kingdom growth and fueling missional partners outside of ourselves. The RE:NEW Initiative involves investing in development for new start-ups, training of new leaders, and renewing hope in dark places. This will include investing in both local and global partnerships through The Crossroads 37 Church Planting Network, Grace Horizon, and Village Project Africa.

# RENEWING FOR THE FUTURE ...

Over the past three years, teammates at Crosspoint have given \$879,983 above and beyond their normal giving to the Dream Big Campaign. This is absolutely amazing!

This generosity fueled the ministry of Crosspoint through a once in a lifetime world pandemic. We didn't see that coming, but God did. We followed his lead, and it activated the launch of an online platform for adults, kids and students, at a time in history when it was mission critical. Today, we're committed to the on-going hard work of rebuilding and strengthening both the in-person and online spaces for continued Kingdom impact.

## THE CHALLENGE BEFORE US IS BIG... BUT THE COST OF NOT SUCCEEDING IS GREATER.

This is a God-sized stretch and will require God-sized faith. It is not some puny goal, nor is it a pie in the sky initiative. It's not sexy. It's math... with a healthy dose of faith. It's all of us giving prayerful consideration to how we can partner with God in expanding the Kingdom for the next three years, and setting something in motion for decades to come.

The opportunity is huge. It starts with 100's of us being open to God's moving and renewing. Sacrificing above and beyond for a long-term vision of investing in the spiritual freedom of our friends and neighbors, and getting a front row seat to see God move in us and through us.

**Are you ready? "Be alert, be present. I'm about to do something brand-new. It's bursting out! Don't you see it?" Let's GO!**

## ONE PEOPLE. ONE PASSION. ONE PURPOSE.
